god longs to have a personal relationship with us from beginning to end we see god s love for his children in the bible it is filled with examples of god s interactions with his people and his relationships with them adam and eve had close fellowship with god walking and talking with him in the garden of eden but with the fall this fellowship was broken having a personal relationship with us was so important to god that it became the reason jesus came to earth to die for our sins on the cross only by his sacrifice could the separation caused by sin be erased to reconcile us with the father in a restored and loving relationship once more the believer is therefore called back to a deeper fellowship with the holy trinity with all of this in mind the author delves into the intricacies of god s love for us and who he truly is she also shows how traditions in which people often place their faith can hinder us from establishing and enjoying a true and intimate relationship with god discover who god truly is in terms of his character and attributes and his plans for us and how well he knows loves and understands us

if we really believed that god knowing was enough and left it there our questions

worries and angst over life s struggles would find more than temporary relief many of us wake up every day with looming anxieties over our future and a weariness we can t shake we have more questions than answers and live with difficult daily realities and secrets we feel we cannot share the question remains for most believers how can i fix it make sense of it or solve it enter god knows a guidebook to lead the modern believer to a place of release relief and reliance upon the omniscience of god inspired by the seldom studied book of nahum god knows details the behind the scenes picture we are missing what his great knowing entails and how his omniscience provides daily perspective to bring the healing and peace we are all desperate to find in god knows you will experience freedom by learning the difference between privacy and secrecy develop renewed belief in your abandoned dreams and goals still known by god realign your idea of god s omniscience being far away to how it daily affects you release your fears for the future as you develop a different outlook on tomorrow through god s lens and learn how to deal with injustice in light of god s knowledge of it god is doing his job well the justice the plan the working together for our good even when we can t see or understand the problem is not god learn to release what has been burdening you and watch his plan for your life unfold
